## Minami Lounge Information

### Visited Minami-ward Health Checkup day for Infants

Minami Ward Office 4<sup>th</sup> floor

Entrance for Check-up

There is a urine test for 3 years !

“Health checkup for Infants” is a check-up system to know your infant’s growth. Your infant’s height/weight/measure of head posture, doctor’s examination and nurse’s inquiry (such as daily rhythm of your infant) will be checked. If you wish, there is a chance to have nutrition and psychological consultation.

For 18months & 3 years, there is a dental check-up. For 4months, there is a video of how to start baby food. ♪

(Visited Aug 19<sup>th</sup> ; Health checkup for 3 years.)

Waiting Room -Please wait until your turn comes-

Chinese interpreter was there helping the checkup. She has experienced bringing up 3 children and her information is useful for interpreting. There are days when English & Tagalog interpreters are present. Please check the notice sent to you by the ward office. You can also check the Minami Ward website.

Notice of “Health checkup for infants” are sent to houses of infants ages 4months, 18months and 3years. Please come to the checkup directly with the things to bring written on the paper. If your schedule does not fit with the day written in the notice, please call 045-311-1148 (Japanese). At this moment, due to COVID-19 reasons, we would like you to cooperate and have only 1 parent attend 1 child’s checkup.

Dental Check-up Room

Explanation is written in Chinese, English and Japanese.

### Video of Dental Health & Nutrition and Life (For 18mths/3years) -English Version/Chinese Version-

To prevent COVID-19 infection, infant’s dental health & nutrition and life explanations are not held on the checkup day. However, there are Chinese videos & English videos which you can watch at home ♪
