**Ms. Ariunjargal Amarbayar**  
I have performed the music by Matouqin, Mongolian instrument. Matouqin has 2 strings. Various sounds can be played by the 2 strings. The top of the instrument looks like a head of a horse. The music which I am performing expresses the seasons and the scenery of the Mongolian prairie.

Speech

**Ms. Xu Jiao**  
**Speech about "Family"**  
I came to Japan from China on 2017. I decided to participate the speech because it will help me learn Japanese. My speech was about my feelings. To write a speech concerning my feelings and to make everyone understand what I felt was difficult. The teachers of my Japanese class helped me a lot. It was a memorable experience for me.
